

Kitten Checklist

- **Litter box**
 - Have 1 for every cat plus 1 more.
 - Use a nonscented clumping litter. (The smaller the grain size the happier the kitty)
 - Clean at least 2 times daily.
 - The larger the better.
 - Cats prefer an uncovered litter box
- **High quality kitten food** 
 - Feed less
 - Less stool
 - Better overall health
- **Toys (especially for cats)** 
 - Keep kitty entertained when you're away.
 - Help prevent foreign body surgeries
- **Vaccinations**
 - Keeps kitty from getting potentially deadly disease
- **Flea and Heartworm prevention** 
 - Keeps away pesky fleas
 - Protect pets from intestinal parasites (worms)
 - Keeps pet safe from deadly heartworm disease (transmitted by mosquito)
- **First aid kit**
 - Helps in emergency situations
- **Dental care**
 - Toothbrush (brush daily)
- **Declawing** 
 - Cat will have to be indoors only for the rest of its life.
- **Socialization**
 - So kitty doesn't hide every time someone comes over.
